EXCALIBUR

Touring Perfection

Designed for the astute buyer who refuses to compromise on quality and luxury, the Crusader Excalibur stands as the pinnacle of touring perfection. Introducing a new level of sophistication, the Excalibur offers tailored features that ensure optimal performance and a superior experience for your getaways.

"After looking and researching for 18 months, we stepped inside the Excalibur and just knew we had found our van! We loved the open, spacious feel of the van and the extra storage of the rear boot. Everything was included, nothing we needed was an optional extra... We're so happy to be a part of the Crusader family."

ATM		Maximum ATM	3500kg

*Indicative lengths and weights are for standard configuration, any additional options or variations will increase weights. Weights are approximate only and can vary between individual caravans. The Compliance Plate specifies the accurate weight for each respective caravan. Alterations to designated ATM may be requested at the time of order provided it does not exceed the legal maximum and is subject to the final tare weight. Body length is measured externally from the front wall to the back wall. Overall width is measured externally and includes all protruding fixtures.

CHASSIS & BUILD

- ✓ Australian made 6" chassis zinc coated throughout
- ✓ Box steel chassis 450MPa rated
- ✓ Zinc coated throughout, 6" chassis with extended drawbar
- ✓ Chassis in monument grey with signature drawbar

Your Crusader Caravans Dealer

The Crusader Caravans Difference

MULTI-AWARD WINNING MANUFACTURER OF EXCELLENCE

Crusader Caravans are a multi-award winning Australian manufacturer of exceptional caravans. We have been officially recognised by industry experts as having superior manufacturing methodology resulting in exceptional caravans.

A BRAND YOU CAN TRUST

Crusader Caravans are a long-established manufacturer with a sound reputation and strong resale value. We stand behind our products. You can put your trust in Crusader Caravans knowing that you are investing in the best your money can buy.

BETTER DESIGNED & BETTER BUILT

We insist on the best quality materials and components at every production stage, starting

from the ground up. Our chassis are strong and made in Australia using Australian Steel.

Crusader's quality processes, the use of innovative materials and dedicated qualified workforce ensure the superb quality of every Crusader caravan.

LEADING THE WAY IN FULL COMPOSITE CONSTRUCTION

Crusader Caravans are leading the way with full composite construction. Our roof, floor and walls are full composite one-piece designs without joints, resulting in less chances of water penetration.

Composite material is the future of caravan construction because it's lighter, stronger, and better insulated. Crusader Caravans are proud to be at the forefront of this exciting innovation.

PROUDLY MADE IN AUSTRALIA

We are proudly Australian owned. Every caravan from Crusader Caravans is built for Australian conditions.

When you buy a Crusader Caravan, you know you are buying local and helping safeguard the jobs of many Australians.

CUSTOMER RELATIONS TEAM

When you purchase a Crusader Caravan you become part of the Crusader family, and at Crusader we look after family.

Help is here if needed. Our Customer Relations Team provide you with peace of mind by offering exceptional support and advice at every stage of the customer experience; from purchase to delivery, and beyond as you roam this wonderful country of ours.
